Discover Kate

The Seaside Lifestyle

Kate embodies the timeless elegance and relaxed luxury of the iconic beach cars from the 1960s.

Relive your memories and create new ones with Kate, a car* that evokes the heritage of the past while embodying the future. Experience a true art of living, whether solo or with family, where every coastal drive becomes a premium and playful experience.

Each model is a unique piece, custom-made for a selective clientele. Made in France, in Cerizay, every Kate is hand-assembled by passionate craftsmen. Every detail, from color to finish, is personalized to reflect your desires.

With a sleek design, exceptional comfort, and intuitive handling, Kate is perfect for leisurely drives around town or along the coast.

It's 100% electric, meeting the latest requirements in cities and coastal areas, offering the freedom to drive without constraints. Kate allows you to explore every corner with style and serenity.

Our team of advisors is ready to guide you in creating your custom-made Kate, ensuring that every moment behind the wheel becomes an unforgettable experience.

We look forward to hitting the road with you!

Car Radio

- Optional -

Because every journey in a Kate deserves its own playlist, the Bluetooth car radio allows you to connect your phone in just a few seconds.

From coastal landscapes to winding paths, every moment becomes a sonic interlude, designed to elevate the experience and extend the feeling of freedom.

Fusion® Stereo

- Optional -

Perfect for island adventures, the optional FUSION® MS-RA70 marine audio system is 100 W, waterproof, and fully sealed.

Bluetooth connectivity lets you enjoy your playlists with clear, high-quality sound, even in sea spray.

Carefully integrated into the cabin, it brings effortless, pure audio to every ride.
