

2024 Catalog

Who is Kate?

Hello,

We are Kate, the French company specializing in electric cars made in France. This catalog is here to introduce you to Kate Original, fully customizable, along with its range of accessories for the year 2024.

Kate Original is designed to accompany you on all your journeys. Whether it's your daily commutes, a getaway to the beach, or a simple road trip, every journey with Kate transforms into a personalized and unforgettable experience.

For over eight years, we have been bringing simplicity and pleasure back to driving.

Kate Original marks the beginning of a series of pioneering models in daily micro-mobility*, manufactured in France and 100% electric.

We believe that driving should be about emotions rather than emissions. We are committed to offering the highest quality electric vehicles that are not only environmentally friendly but also fun to drive.

Our team of personal advisors is ready to guide you in designing your car, for unforgettable moments.

Need assistance with your purchase project?

Sign up to be contacted by one of our personal advisors.

We are thrilled to offer you this opportunity to discover the joy of driving in a whole new way.

We can't wait to hit the road with you!

**vehicle category L7e. European homologation.*

Radio

There's nothing quite like cruising down the road, blasting your favorite song through the speakers, wind in your hair, with no cares in the world. That's the beauty of the open road - these moments are priceless, yet so precious. With the Pioneer Bluetooth car radio, you can easily connect your phone and start jamming to your favorite playlist in seconds. No matter where you're headed, you'll have the perfect soundtrack to make it a day to remember.
